

CLUB UPDATE

An Update to members from your Board

Best Wishes

The Directors wish all our members well during this difficult period. We also very much look forward to when we are able to meet up and enjoy a game of bowls together again. In the meantime rest assured that your Club is being actively looked after and we will be ready to re-open our doors as soon as allowed to.

Bowling News

For the latest on Club leagues and competitions please see the update from your Bowling Committee at <https://www.angelibc.co.uk/article/bowling-committee-update>

The EIBA website sets out the latest arrangements for entering the 2020/21 Nationals (entries now due by June 7th). Kent have placed their process for 2020/21 entries in 'abeyance'.

Need to get in touch?

If you do need to contact the Club please use the usual Club email address or website message form (note now being monitored by volunteers so responses may thus take a little longer than usual!).

The Club is also receiving and monitoring post.

Club Status

Our current priority as Directors is to work actively to minimise any potential adverse impacts of the current closure on our staff, our members and the Club.

To this end, all staff have now been placed on the Government's Coronavirus "Furlough" job-retention scheme and the Club is being maintained entirely by volunteers.

All possible electrical items have been switched off and all service providers have been suspended wherever possible. The Club is thus completely 'closed down' but being regularly inspected by volunteers.

We will also be looking to take advantage of all and any financial grants, subsidies and deferments available to us.

Of course how and when we might be able to re-open the Club remains uncertain. We will thus be holding bi-weekly Management meetings throughout this closure period to ensure we can take appropriate actions and communicate to members any potential status changes as quickly as we can.

Please pass this update on to any members who you are in contact with and who you suspect don't receive our emails.

In the meantime, we again wish all our members well and hope to see you all soon.

Your Directors

Bernard, Matthew, Neil and Paul
