

From the Board

We regret to inform you yet again, that we must reschedule the events surrounding the opening of the new carpet due to its delayed arrival from Germany. Unfortunately, this situation is beyond our control. We are in contact with the carpet retailer and will set a new date towards the end of this summer season to minimise any disruption to your summer bowling activities.

We share your frustration and appreciate your patience during this time. Once we have a confirmed date, we will promptly notify all members. In the meantime, please continue to purchase your "first bowl" raffle tickets and make rink bookings at the bar. Any money already paid will be carried over to the new date. The rink closure has been removed from the diary and the respective dates are available for booking as normal. Thank you for your understanding and continued support.

years we have accumulated several sets which need a new home. During the next week or so we will put them out on the shelf outside of the shop. If you would like a set, maybe you're a new bowler without your own yet, please take them for just a donation. A collection tin for Hospice in the Weald will be on the shelf with them for your donation.

Catering

Carl and Sam will be on holiday from Saturday 31st May until June 17th, thus no restaurant service during this period of time.

Social Angels

Hello!

Well, what a quiz that was. Thank you to all of you who came along, 132 in total, we have new champions, after a tie breaker no less.

Well done to The Blessed Cheesemakers who walked away with £100. Commiserations to Ken Dodds Dads Dog is Dead who scooped £50 after dipping out on not knowing how many steps to the top of the dome in St Paul's Cathedral... The Dead Ponytail Club were a worthy third place.

Your Social Angels are now taking a well-earned rest for June and July but we will return in August with lots more events to tickle your tastebuds. I must say a huge thank you to the Social Angels committee,

especially Paul Gent and Lisa Hounslow who are a great support. JK, aka John Kerr, for the brilliant printing that he does for us. Tony Borland and Alan Sheer who are always available when tables need moving. Paul and Ed, a big thank you for all your help, we know we cause you a lot of extra work!

Stand by for August! Enjoy the sunshine until then.

No prior experience is necessary but you must be prepared to get down on the floor to administer CPR. Most Cardiac Arrests occur in the home so your nearest and dearest might well appreciate your services!

This is not a formal certificated course but an informal introduction to CPR and Defibrillator Awareness session.

Please put your names down on the sheet on the Notice Board. Numbers are limited to 6 per course as we only have one training manikin (funded jointly by the 100 Club and Social Committee).

Any queries please contact Bob Bowlby - bob.bowlby@icloud.com

From the editor

Every month I send these out to the email address which is recorded for members who use email. Every month I get bounce backs. This may be because we have an old unused address for you, it's been recorded incorrectly or it's a work email that won't allow you to accept anything with images.

So, if you're reading this in hard copy, but think you should like it via email, please check with the bar staff that we have a correct email address for you.

Thank you. Chris.
